PROFESSIONAL SUMMARY

I am a highly motivated Diploma in Information Management student currently in my fourth semester at Universiti Teknologi MARA (UiTM). Specializing in information organization, technology, and management, I am proficient in programming fundamentals, information systems, and social media literacy. With practical experience in various aspects of information and records management, I am actively seeking an internship placement for the duration of **28 July - 19 September (8 weeks)** to apply and expand my skills in a dynamic information-driven environment.
